

ROX Hi-tech Marks 24 Years of Driving Digital Transformation and Technology Innovation

From a bold vision in 2002 to becoming a trusted technology partner for enterprises, ROX Hi-Tech celebrates 24 years of innovation, trust, and digital transformation.

ROX Hi-Tech Limited proudly completes 24 years of excellence, celebrating a journey defined by innovation, trust, and a relentless commitment to enabling enterprises through technology.

Since its inception, ROX Hi-Tech has evolved into a globally trusted IT services and digital transformation company, delivering cutting-edge solutions across automation, enterprise security, cloud services, and integrated enterprise platforms. Over the past two decades, the company has built a strong presence across India and international markets, serving a diverse client base and supporting organizations in their digital transformation journeys.

This milestone reflects the dedication of ROX's talented workforce, the trust of its clients, and the strength of its strategic partnerships with leading global technology providers. Today, the company serves 350+ customers with a team of highly skilled professionals and multiple technology partnerships, reinforcing its position as a reliable technology partner for enterprises.

As the company celebrates this milestone, it remains focused on the future - strengthening its capabilities in digital transformation, AI-driven automation, cybersecurity, and cloud technologies, while expanding its global footprint and delivering next-generation technology solutions.

The management expresses sincere gratitude to its employees, customers, partners, and investors who have been instrumental in shaping ROX's journey over the past 24 years.

With a strong foundation and a forward-looking strategy, ROX Hi-Tech remains committed to driving innovation, empowering enterprises, and creating sustainable value in the years ahead.
